

The quick start up/shutdown guide is not a substitute for reading the manual; the manual contains detailed information and instructions that you must be aware of and follow in order to maintain the equipment properly and use it safely. Remember to record the date of purchase and model number in your manual.

WARNING! Risk of eye injury. Spray could splash back or propel objects resulting in serious injury.

- Always wear indirect vented (chemical splash) safety goggles when using or near this product.
- Always wear protective clothing such as long-sleeved shirts, long pants and closed-toed shoes.

Items Included:

Items needed:

- (not included)
- Grease
 - Garden hose, 50 ft. (15 m) or less
 - Safety goggles (indirect vented type)

Handle Attachment

USE OUTDOORS - AVOID CARBON MONOXIDE POISONING (SEE MANUAL)

CARBON MONOXIDE ALARM(S)
Install carbon monoxide alarms inside your home. Without working carbon monoxide alarms, you may not realize you are getting sick and dying from carbon monoxide poisoning.

¡ADVERTENCIA! Riesgo de lesión ocular. El agua rociada podría salpicar o expulsar objetos, lo que puede resultar en lesiones graves.

- Siempre use gafas de seguridad con ventilación indirecta (salpicaduras de sustancias químicas) cuando utilice este producto o esté cerca del mismo. (Las gafas de seguridad no brindan una protección total).
- Siempre use ropa protectora como camisa de manga larga, pantalones largos y calzado cerrado.

La guía rápida de arranque/apagado no sustituye la lectura del manual; el manual contiene información detallada e instrucciones que debe conocer y seguir para mantener el equipo en condiciones apropiadas y usarlo de manera segura. Recuerde registrar la fecha de compra y el número de modelo en su manual.

Elementos incluidos:

Elementos necesarios:
(no incluidos)

- Grasa
- Manguera de jardín, 50 pies (15 m) o menos
- Gafas de seguridad (tipo de ventilación indirecta)

Aditamento de mango

USE EN EXTERIORES - EVITE EL ENVENENAMIENTO POR MONÓXIDO DE CARBONO - (CONSULTE EL MANUAL)

ALARMA(S) DE MONÓXIDO DE CARBONO

Instale alarmas de monóxido de carbono en el interior de su casa. Sin alarmas de monóxido de carbono en funcionamiento, es posible que no se dé cuenta de que se está intoxicando y muriendo debido a una intoxicación por monóxido de carbono.
